

'INSIDE 50'

OLD TRINITY GRAMMARIANS
COTERIE GROUP

We are a Good Sports club

WELCOME TO THE INNER SANCTUM

The Old Trinity Grammarians Amateur Football Club cordially welcomes businesses and individuals to join its Inner Sanctum of sponsors so as to promote the interests of both parties.

Our Club boasts a significant business network extending across varied industries and professions. Membership of the Inner Sanctum would expose one to significant business opportunities through contact with other members and the wider Trinity community.

We look forward to seeing you down at Bulleen in Season 2018.

Kindest regards.

Manny Nicolosi
PRESIDENT

'INSIDE 50' INNER SANCTUM COTERIE

Launched for the first time in Season 2018 and beyond, the **'Inside 50'** Inner Sanctum Coterie aims to connect the Old Trinity Grammarians Amateur Football Club Business Community, as well as provide an 'inside' word or connection to the Football Club.

Ultimately, **'Inside 50'** aims to provide the Old Trinity Grammarians Amateur Football Club Community, which includes Past Players, Players, Supporters, Club Partners, Friends and Family, with an exclusive club built on the following foundations.

'Inside 50' key pillars include:

- 'Connect' the Old Trinity Grammarians Amateur Football Club Business Community, with each Member encouraged to do business with other members within the group
- Providing an engaging level of 'Inner Sanctum' content via **'Inside 50'** updates and events, allowing members a more fulfilling level of 'Contact' with the Club
- 'Support' the Club by raising revenues via 'Inner Sanctum' events and other fundraising initiatives

The Membership aims to provide an option for those in our Community that want to support the Club above a standard Membership yet below a normal commercial agreement with the Club.

THE 'WHY'

The Club has embarked on a number of changes over the past few years culminating with a new Head Coach for 2018, A new President, A Women's Team in 2017 as well as changes at the ground for our players and supporters, including a brand new illuminated scoreboard and new light-towers, with games under lights a real possibility in years to come.

As a result of this 'change', the Club now enters a professional era with the need for corporate support even more critical. The Club identifies the need to 'connect' our Community at a higher level, with the overall aim of driving business for our members, all of whom share a passion for the mighty green and gold.

All Inside 50 Fundraising Efforts for 2018 will go towards the acquisition of new lighting for the Daley Oval in addition to a new portable 96 seat grandstand. All new Members will have their Company or Individual name etched into the new 96 seat grandstand.

THE 'BENEFITS'

"Inside 50' Member Events & Rewards
